Innovative Facade & Fenestration

About ADS SYSTEMS

ADS Systems by Kapish Metals embarked on its journey in 2005, driven by a vision to provide unparalleled solutions to the Building and Construction industry. Our commitment lies in delivering top-notch, single-roof aluminum architectural products of the highest quality. Distinguished as leading manufacturers, suppliers, and exporters of Aluminum Architectural Products and Components, our offerings strictly adhere to industry standards.

At ADS System, we uphold a steadfast commitment to enriching the domestic and global market share by consistently delivering superior quality across our product range. Our diverse portfolio caters to every aluminum architectural requirement in the Building and Construction industry, showcasing noteworthy features such as durability, shock resistance, waterproofing, soundproofing, and moisture resistance.

Central to our ethos is an unwavering focus on product quality, timely availability, customization capabilities, and cost competitiveness. Our state-of-the-art manufacturing unit stands as a testament to our ability to produce flawless, world-class products for our esteemed clients. Equipped with modern facilities, advanced machinery, and cutting-edge technology, our manufacturing unit ensures efficient and swift production.

ADS System's development team diligently works year-round to provide contemporary solutions for products used in the facade and fenestration industry. Our core strength lies in the eagerness to develop customized product ranges tailored to meet the specific requirements of our clients. Collaborating with industrious fabrication channel partners, we ensure that our products are fabricated in strict conformity with international norms. Their dedication and diligence enable us to consistently meet and exceed the diverse requirements of our clients.

- 3000mm Max Shutter Height
- Multi Locking

ADSTM
SYSTEMS

Typologies :

SYMPHONY C1

Casement Series

Product Specification :

- 6063 Profile Alloy
- Glass - Up to 32mm
- 4000mm Max Shutter Height
- Multi Locking & Automatic
- Sight Line 65mm

Typologies :

PGL100

Glazing Series

Product Specification :

- 6063 Profile Alloy
- 3.6 mtr. Max Shutter Height
- 2 mtr. Max Shutter Width
- Capacity Up to 400kg
- Can be inward or outward opening.
- Glazing options from 4 mm single to 36mm triple.
- Internal sash options with fly screen or glazed as above
- Integrated solution for security grill
- 3 frame options to choose from
- Automatic and Manual Multi Locking

SGL500

Glazing Series

- 6063 Profile Alloy
- Max Panel Height 2800mm
- Max Panel Width 1500mm
- Glass Thickness : 5mm to 26mm
- Glass Weight 150kg
- Multi Locking 2 Point, 4 Point
- Wind Load Pressure Min. 1.8 KPA Max. 2.5 KPA
- Sound : 25 dB

Typologies :

SP101

Internal Partition Series

Product Specification :

16 X 45 :

- 6063 Profile Alloy
- SGU Glass 8mm
- 2400 mm Max Shutter Height
- 3000mm Max Shutter Width

25 X 45 :

- 6063 Profile Alloy
- SGU Glass 10mm
- 2400 mm Max Shutter Height
- 3000mm Max Shutter Width

25 X 55 :

- 6063 Profile Alloy
- SGU Glass 10mm, 12mm
- 2700 mm Max Shutter Height
- 3600mm Max Shutter Width

Railing Series

Product Specification :

- 6063 Profile Alloy
- Max Glass Height 1000mm

Profiles :

Section	ADS 3124
Est. Weight (kg/l2)	3.600 - 3.800

Section	ADS 3130
Est. Weight (kg/l2)	3.100 - 3.300
